Subject: RE: LIMS Team

Jeff,

Ray mentioned in his staff meeting that there may be some response from Eduquest/Fenner around 2/11/98. If they give the go ahead at that time, the RFP could be sent to vendors. I asked Ray if we started to put the Confidentiality Agreements in place with the vendors that will be receiving the RFP. I know this can take a few days to a few weeks to complete....so you might want to be ready.
